When she gets there she finds out that she has been under a love spell the entire time and that Danny has also put a bind on her powers. Danny has been after the Addison house all along and plans to kill the sisters.

Jenna and her husband ,Jacob, vow to protect her. Jacob calls his cousin, Drake, over to protect her while the four of them plan their attack on Danny. The only way for Jamie to get her powers back is for them to kill the demon that put the spell on her. Drake never leaves Jamies side while its his job to protect her. In the process of protecting her he falls in love with her. Jamie is torn between if her feelings for him are true of if it is a side effect of the spell that has been put on her.

Will Jamies family be able to protect her or will the demon win?
