

ROAR! Courage: From Fear to Fearless

A NEW COURAGEOUS BREAKTHROUGH

Courage is the essential ingredient to success, yet it eludes most. ROAR! Courage, however, can be achieved by anyone as you start to understand the psychology and mindset of courage. Discover the real essence of courage and what most have missed. After ten years of research on overcoming fear and with over 20,000 coaching and training hours, Rik Schnabel (Australia's #1 Brain Untrainer) shares his psychological breakthrough that will have you become more intimate with courage. Even the most courageous will vanquish fear and anxiety forever. You will soon realise how fear brings about fatigue, anxiety, stress and how it ages you. In the first four chapters, you will quickly gain a practical and a psychological edge that will shift you from fear to fearless. Later in the book, you will discover the similarities between the addicted personality and the entrepreneur, and how you can use this formula to achieve anything you set your mind to. This alone makes fascinating reading. ROAR! Courage is a call to future leaders and heroes to rise above their limitations, redirect their addictions and step into the shoes of a leader. provides a transformational framework for you to empower yourself, your family and you community. It's time to remove anxiety, stress, fatigue and fear, and start living your dreams. Sometimes we call a book into our lives and sometimes it calls us. Perhaps it is no coincidence you're reading this right now. Be sure to collect over \$1,000 worth of FREE
