

Diarios de Motocicleta: Notas de Viaje (Film Tie-in Edition) (Che Guevara Publishing Project / Ocean Sur) (Spanish Edition)

“When I read these notes for the first time, I was quite young myself and I immediately identified with this man who narrated his adventures in such a spontaneous manner ...” There were moments when I literally took over Granada’s place on the motorbike and clung to my dad’s back, journeying with him over the mountains and around the lakes ...” To tell you the truth, the more I read, the more I was in love with the boy my father had been ...” from Aleida Guevara’s preface “A journey, a number of journeys. Ernesto Guevara in search of adventure, Ernesto Guevara in search of America, Ernesto Guevara in search of Che. On this journey of journeys, solitude found solidarity, I turned into we.” Eduardo Galeano
