

Devil Talk: Stories

In these short stories, men and women confront evil in all its forms, drama, and even humor against a backdrop of Chicano and Mexican culture. Situations range from the bizarre to the very real. In *Sight*, a young man is allowed to see exactly what his girlfriend is doing when she leaves their home. A botched robbery in *Jorge*, *Get the Gun* leads to murder the same day JFK is buried. In the end, *Devil Talk* shocks, amuses, and tantalizes as it explores human passions and the corruption we valiantly attempt to avoid as we wander through life. These twenty-six stories bring us to a place once inhabited by Rod Serling ... only the accents have changed. This is Latino fiction at its edgy, fantastical best.
