

## Clover Park Series Boxed Set

USA Today Bestselling Series! The Clover Park Series Boxed Set includes three full-length novels and one novella: *The Opposite of Wild*, *Daisy Does It All*, *Bad Taste in Men*, and *Kissing Santa*. I wrote this series so one story picks up where the previous story left off, which makes it fun to binge read all together. Book 1: *The Opposite of Wild* Ex-cop Ryan OHare takes one look at buttoned-up control freak Liz Garner and just itches to loosen the woman up. Not that heâ€™s into her. Because a woman like that comes with way too many expectations. Not to mention, she practically works for him, and he didnâ€™t hire Liz to watch after his beloved Harley-stealing Gran so he could turn Liz loose in his bed. Still, thereâ€™s something about her, a hidden wild side, that makes him wonder what it would take. Book 2: *Daisy Does It All* Exhausted single mom Daisy Garner is shocked when her blog about her perfect life with husband and baby brings a national talk show to her door. Amazing! Except she made the whole thing up. Enter Travis OHare, her fake husband, whos intent on becoming the real deal. Book 3: *Bad Taste in Men* Rachel Miller knows opening a cafÃ© will make her struggling bookstore the place to hang out. But when the bank turns her down and her best friend Shane Oâ€™Hare steps in, the cafÃ© suddenly has too much riding on itâ€™her career, her best friend, and her heart. Book 4: *Kissing Santa* (A Novella) Samantha Dixonâ€™s impulsive confession on Santaâ€™s lap backfires big

time when Santa turns out to be the major player from a horrible date. It will take a little of his Christmas giving and a lot of her goodwill toward men to move them from humbug to love. Look for Book 5, Restless Harmony, to continue the fun and don't miss my spinoff series, Clover Park STUDS, with some Clover Park favorites popping up too!
