

Shadow of Night (All Souls Trilogy, Bk 2)

The #1 New York Times “bestselling sequel to A Discovery of Witches” “œs enchanting, engrossing, and impossible to put down as its predecessor” (Miami Herald). J. K. Rowling, Stephenie Meyer, Anne Rice “only a few writers capture the imagination the way that Deborah Harkness has with her New York Times “bestselling All Souls trilogy. A Discovery of Witches introduces reluctant witch Diana Bishop, vampire geneticist Matthew Clairmont, and the battle for a lost, enchanted manuscript known as Ashmole 782. Picking up from A Discovery of Witches™ cliffhanger ending, Shadow of Night takes Diana and Matthew on a trip through time to Elizabethan London, where they are plunged into a world of spies, magic, and a coterie of Matthew™s old friends, the School of Night. As the search for Ashmole 782 deepens and Diana seeks out a witch to tutor her in magic, the net of Matthew™s past tightens around them, and they embark on a very different—and vastly more dangerous—journey. The Book of Life, the much-anticipated conclusion to the All Souls trilogy, will be published by Viking in July 2014.
