

## Ageless and Sexy: The Magic of Sensuality--A Love Story

In this poignant novel of self-exploration and discovery, you will experience a combination of memoir, spiritual wisdom, and savvy self-help practicality. After years spent in a sexless marriage as a caregiver, Stella discovers that there is no expiration date on sexuality. Newly widowed after a three-decade marriage, she begins her sensual and sexual renaissance, awakening energetically, emotionally, and spiritually in unexpected and magical ways. She meets a lover who ignites her passions, and her dormant sensuality emerges like a phoenix, catalyzing her amazing journey of self-discovery. As Stella expands her spiritual awareness, she learns that life is not about spending time; it is about making magic.
