Paranormal BBW Shapeshifter Romance Series The MacGregor and Kelly werewolves enjoy a steamy 24 hours when a blizzard and the culmination of a witch's curse force them to come face-to-face with their curvy mates! These deliciously sexy alpha males each find their happy endings with their own beautiful women, but how can they conquer the curse? This is the complete compilation of the five short novellas in A Werewolves Curse series, which are also published as singles. It includes:

- Protected By the Wolf
- Saved By the Wolf
- Seduced By the Wolf
- Wanted By the Wolf
- Pursued By the Wolf

Each short, but sizzling, 17,500 to 18,000-word novella has explicit sexual content, graphic language and a happy ending. The stories happen concurrently over a twenty-four hour period and share an overarching plot thread that ties all the stories together.
