

# Karma and Reincarnation: Unlocking Your 800 Lives to Enlightenment

A comprehensive, visionary guide to the karmic cycle and its role within our life—both the life we're living and the lives to come.

There is life after death, and Barbara Martin has seen it. Now for the first time comes her inspired, firsthand account of the intricate world of spiritual rebirth.

The award-winning authors of *Change Your Aura, Change Your Life* reveal the afterlife in a work based directly on Martin's personal explorations of the world to come and awe-inspiring clairvoyant experience with the spiritual world. Both a fully practical handbook to the ins and outs of the karmic cycle and a field guide to the spiritual plane and how reincarnation works, *Karma and Reincarnation*:

- Brings together the design of the world beyond and the mechanics of karma;
- Gives practical guidelines and tools to deal effectively with karmic situations and avoid generating adverse karma;
- Helps align readers with their spiritual purpose;
- Shows readers how to face and resolve their karmic troubles; and
- Provides essential keys to spiritual development.

A true spiritual wonder in a single, fully accessible volume, *Karma and Reincarnation* is perfect for both those taking their first steps down a spiritual path and longtime spiritual students.
