

Fate Interrupted Book 2

Music has always been Olivia Sanders driving force and safe haven, in her turbulent life. Now, with her college degree in hand, she begins chasing down her biggest dream, to become the biggest female music manager LA has ever seen. She has the drive and determination to make it big. The only problem is she has no clientsâ€™ or moneyâ€™ and no leverage to get started in the cut throat world of talent management. Remington Maddox was born with a fully loaded bank account. He has money, cars, connections, and an all access pass to the hottest women in LA. When Olivia crashes into Remys high-class life, he knows he has to make a choice. Will he choose his billionaire lifestyle of endless wealth and hot hookups? Or will he throw it all away to pursue the small town girl who unknowingly captured his heart? Fate Interrupted is intended for a mature audience, 18+ only.
