

Christmas in Cactus Flats and Other Holiday Romances

5 Holiday Romances in 1 BOXED SET—a full-length novel and four Christmas Romance Novellas! In *Christmas in Cactus Flats*, Drew Lorman is facing her second Christmas alone after the death of her adoptive mother. Feeling lost among the Boston crowds, Drew sets off to find her birth mother, hundreds of miles away in Cactus Flats, Texas. The tiny desert town is a far cry from Drew’s usual holiday setting, with tumbleweeds and cacti festooned in strands of colored lights. The woman she came to meet is nowhere in sight, and Drew is wondering if this has all just been a huge mistake. But there’s nowhere else Drew can go for Christmas, and the handsome and kind rancher J.P. persuades her to take a chance on Cactus Flats—and maybe something more, in this heartwarming tale of friendship, family, and unexpected love. Also included in this Clean Christmas Romance Boxed Set are the previously released novellas *Parade Banter*, *Secret Santa*, and *I Know What You Did Last Christmas* (originally sold as individual novellas and as part of *The Holiday Hearts Collection*). The all-new Christmas Romance novella *Life at the North Pole* is included as a special bonus!
