

The Restaurant Managers Handbook: How to Set Up, Operate, and Manage a Financially Successful Food Service Operation 4th Edition - With Companion CD-ROM

The multiple award-winning Restaurant Manager's™ Handbook is the best-selling book on running a successful food service operation. Now in the 4th completely revised edition, nine new chapters detail restaurant layout, new equipment, principles for creating a safer work environment, and new effective techniques to interview, hire, train, and manage employees. We provide a new chapter on tips and IRS regulations as well as guidance for improved management, new methods to increase your bottom line by expanding the restaurant to include on- and off-premise catering operations. We've added new chapters offering food nutrition guidelines and proper employee training. The Fourth Edition of the Restaurant Manager's™ Handbook is an invaluable asset to any existing restaurant owner or manager as well as anyone considering a career in restaurant management or ownership. All existing chapters have new and updated information. This includes extensive material on how to prepare a restaurant for a potential sale. There is even a section on franchising. You will find many additional tips to help restaurant owners and managers learn to handle labor and operational expenses, rework menus, earn more from better bar management, and introduce up-scale wines and specialties for profit. You will discover an expanded section on restaurant marketing and promotion plus revised accounting and budgeting tips. This new edition includes

photos and information from leading food service manufacturers to enhance the text. Anyone in the food service industry will rely on this book in everyday operations. Its 28 chapters cover the entire process of a restaurant start-up and ongoing management in an easy-to-understand way, pointing out methods to increase your chances of success and showing how to avoid the many mistakes arising from being uninformed and inexperienced that can doom a restaurateur's start-up. You will have at your fingertips profitable menu planning, sample restaurant floor plans and diagrams, successful kitchen management, equipment layout and planning, food safety, Hazardous and Critical Control Point (HACCP) information, and successful beverage management. Learn how to set up computer systems to save time and money and get brand new IRS tip-reporting requirements, accounting and bookkeeping procedures, auditing, successful budgeting and profit planning development. You will be able to generate high profile public relations and publicity, initiate low cost internal marketing ideas, and low- and no-cost ways to satisfy customers and build sales.
