ISIS - The Terror in the Middle East For a limited time only, you can get your copy of ISIS - Terror in the Middle East, for only \$2.99 instead of \$4.49. It is getting harder and harder to ignore the immediate threat that the Islamic Terror Group ISIS, also called ISIL has become. Wreaking havoc over Iraq and Syria, it is also threatening Western Countries as well as those bordering the endangered zones. Hundreds of thousands of innocent people are fleeing the danger that ISIS represents and are hoping for Western support to save their lives. ISIS, or IS, is a Danger to the U.S. After the attacks on 9/11 triggered the Iraq war that lasted almost a decade and lead to over 4000 American casualties, a new Iraqi Government was instated and handed the power of the country. The vulnerable state, in which Iraq was left behind, has fueled the anger and provided the Islamic extremists that are part of ISIS with the chance to take control. Many Western countries, including the U.S. are now fearing that the Terror Group could continue to wreak havoc, take over territories in the area and grow richer as a result. These riches could be used to fund terror operations outside of the Middle East and possibly even in Europe and the United States. Meet ISIS, the Terror Group that is too extreme for Al-Qaeda In this book you will learn about: - the beliefs of the ISIS extremists - the background of the Islamic State of Iraq and Syria - the unbelievable riches of ISIS - the way in which IS operates - the

fight against ISIS - the international involvement in the fight against ISIL and much more about ISIS.
