

All Breathing Life

All Breathing Life Adores Your Name is a book of prayers composed as poetry by the founder of the Jewish Renewal movement, Zalman Schachter-Shalomi. This English language book of prayers introduces the reader to Jewish mysticism in contemporary life. Rabbi Lawrence Kushner has said that Rabbi Zalman Schachter-Shalomi's ideas and stories have profoundly altered the landscape of American Judaism. And, it is in his tradition of originality and spiritual centeredness that Reb Zalman has opened a door for our souls with these prayer/poems. Rabbi Joseph Telushkin, the author of both Jewish Literacy and A Code of Jewish Ethics, says of this book, It is hard to pray for more than a few sentences in Hebrew if you don't know what you're saying. And it's hard to pray for more than a few sentences in English if the prayers don't touch and teach your heart. Rabbi Zalman Schachter-Shalomi, the master davvener of our age has delivered a vital book, one that enables people to actually davven, not just pray, in English. Many have promised such a book, but this one delivers. Rodger Kamenetz, the author of both Burnt Books and The Jew in the Lotus, says, One is grateful to Reb Zalman for bringing into English these Jewish prayers that have lived a long life in him. Indeed, his introductory notes show how these prayers have provided him solace, guidance and inspiration at key moments to a unique man of prayer, so that we can begin to understand not

only what the words say but how they speak in the heart.
