

Chasing Sunsets: A Novel (Angels Walking)

From #1 New York Times bestselling author Karen Kingsbury comes the second novel in the Angels Walking series about divine intervention and second chances—the dramatic story of a woman desperate to find deeper meaning in her life. Growing up in a comfortable home, Mary Catherine wanted for nothing. Though she loves her wealthy parents, their lifestyle never appealed to her. Instead, Mary Catherine pursues meaning through charity work, giving away a part of herself but never giving away her heart. Mary Catherine lives in Los Angeles with her roommate, Sami, and volunteers at a local youth center with coach Tyler Ames and LA Dodger Marcus Dillinger. Despite Mary Catherine’s intention to stay single, she finds herself drawing close to Marcus, and their budding romance offers an exciting life she never dreamed of. That is, until she receives devastating news from her doctor. News that alters her future and forces her to make a rash decision. Inspirational and moving, Chasing Sunsets is the story of one woman’s deep longings of the soul, and the sacrifices she’s willing to make in search of healing.
