

Tasting Nashville (The Tasting Series Book 3)

STANDALONE in the Tasting Series When Joselyn Tillman finds herself alone, she decides to throw caution to the wind and shoot for the stars. After packing up everything she owns, Joselyn wrangles herself a job at The Bone Picker, which just happens to be the local hangout for the country music industry. When the stars align and fate places her in the path of the swoon worthy Steve Diesel, head of his own label, Joselyn believes she's finally on her way to the big time.

Everything is on track until the handsome, Country Rock heartthrob, Dean Covington, derails her plan. With a gentleman's heart to match his huge muscles, Dean invites Joselyn to move in until she can get on her feet. As they find themselves under the same roof, tension mounts, anger flares, and attraction is undeniable, leaving Joselyn with a choice to make. Her contract and Steve? Or her heart and Dean?
