

The Outlandish Companion Volume Two: The Companion to The Fiery Cross, A Breath of Snow and Ashes, An Echo in the Bone, and Written in My Own Hearts Blood (Outlander)

More than a decade ago, #1 New York Times bestselling author Diana Gabaldon delighted her legions of fans with *The Outlandish Companion*, an indispensable guide to all the *Outlander* books at the time. But that edition was just a taste of things to come. Since that publication, there have been four more *Outlander* novels, a side series, assorted novellas, and one smash-hit Starz original television series. Now Gabaldon serves up *The Outlandish Companion, Volume Two*, an all-new guide to the latest books in the series. Written with Gabaldon's signature wit and intelligence, this compendium is bursting with generous commentary and juicy insider details, including a complete chronology of the series thus far, full synopses of *A Fiery Cross*, *A Breath of Snow and Ashes*, *An Echo in the Bone*, and *Written in My Own Heart's Blood*, recaps of the Lord John Grey novels: *Lord John and the Private Matter*, *Lord John and the Brotherhood of the Blade*, *Lord John and the Hand of Devils*, and *The Scottish Prisoner*, a who's who of the cast of *Outlander* characters, cross-referenced by book, detailed maps and floor plans, a bibliographic guide to research sources, essays on subjects as wide ranging as *Outlandish* controversies regarding sex and violence, the unique responsibilities of a writer of historical fiction, and Gabaldon's writing process, a guided tour of the clothes, food, and music of the eighteenth century, and a Scottish glossary.
