

Graphology (Mobius Guides)

The Mobius Guides provide a fascinating overview to help readers come to grips with the basic principles, practices, and background of each subject area. Enlightening and fully accessible, these great introductions are ideal for the beginner, or for those who simply want to widen their knowledge in different areas. This book is a step-by-step guide to understanding graphology—the art of interpretation through handwriting analysis. Starting with the basic first impressions such as choice of pen, ink, and margins, it moves on to more detailed analysis of dominant traits, slants, and spacing to help you build up a comprehensive and revealing picture of the inner person.
