For Sisters Eyes Only! All M.G.T. keep a notebook starting with their orientation packet and continuing with various other handouts and notes. I have consistently had sisters from around the country ask me for copies of my M.G.T. Notebook; however, it is far too labor intensive to make copies for every sister in need individually. Because many M.G.T. lessons have already been made available to the public via the internet, I decided to compile a book containing the contents of my M.G.T. notebook for my Muslim sisters nationwide. Muslim Girls Training contains hundreds of pages of lessons spanning several decades, bring the M.G.T. a lifetime of jewels as taught by the Honorable Elijah Muhammad. All Praise is due for the Honorable Elijah Muhammad!
