

The Heart & The Tongue their Sickness & Cures

The Quran speaks of the people of paradise as ...those who bring to allah sound hearts. (26:87) and the prophet, may Allah bless him peace, said in a famous hadith. There is a piece of flesh in the body, the nature of which is that when it is sound, the entire body is sound, and when it is corrupt, the entire body is corrupt, the entire materialistic values it is often forgotten by Muslims as well as the non-Muslims She end the only truly valilabl*ffpossesswaVisfa pure heart. The eminent Muslim scholar Yass Roshdy takes the opportunity in this small book to remind us of this vital fact of human existence. Basing himself firmly on the Book and Sunna. He looks at the heart and its window onto the world, the tongue; analyses the defects to which they are subject; and shows us how to avoid these dangers and purify ourselves. In so doing he provides us with an essential key to success in both this world and the Next.About the AuthorSheikh Yassin Roshdy is a leading scholar and lecturer as well as a well known author in the Islamic World. He was born in Egypt and has dedicated most of his life to Dawaa and Islamic teachings. He has written many books dealing with contemporary topics as well as traditional issues. He has generously given us permission to publish his books royalty free as a contribution from him to the readers and to promote the science of Islamic knowledge. May Allah reward him for his effort, dedication and generosity, and grant him Paradise.
