

The Boomers Career Survival Guide: Achieving Success and Contentment from Middle Age through Retirement

This authoritative guide helps Baby Boomers navigate their way through a host of issues that typically affect careers from the midpoint onward toward retirement. It comprises ten chapters in three sections: one on changes in the workplace during the Baby Boom years; one on specific challenges Baby Boomers face in their careers; and one on achieving goals, including starting a business and planning for retirement. It presents charts and graphs explaining relevant statistical data. It offers a bibliography of helpful additional sources in print and online.
