

The Italian Billionaires Ruthless Pursuits: Billionaire Short Stories Collection (Volume 1)

A child from a broken family, Bernardo meets Ricardo Lorenzo, millionaire tycoon in an "accident" when he was crossing the road. Ricardo and Joyce do not have children and he liked the look on Bernardo's face. Joyce, Ricardo's American wife, takes an instant liking to Bernardo. Ricardo takes him home from hospital and adopts Bernardo, who learns the ropes of his business and takes it to great heights, along with a string of women who lust after his playboy nature. Kathy Wilson, orphan and looking for a job, ends up at Lorenzo Conglomerates, working as personal assistant to Bernardo Lorenzo. For once Bernardo is struck by the beauty of a woman which embeds his mind. In other circumstances, it was lure, love, fuck and let go with a trinket from Cartier, the parting gift, when every woman knew it was the end. But Kathy, yes Kathy was different. A visit to Malaysia and steamy erotic sex leaves Bernardo wanting more. Something he never did with his other women. But Celina changes it all by her nasty words and a son of Bernardo's tucked away. Kathy leaves for London. Does she carry the seed Bernardo has planted in her? Is it the seed of love? Or is the seed of sadness coupled with a lonely life Kathy would lead? Let's read on.
