

Three by Kate Grey

Three shy women and the alpha males who love them ...This bundle contains the steamy romance novellas *By His Desire*, *His One Desire*, and *Only Desire*. **BY HIS DESIRE:** Keith Logan has something that Sarah Harper wants, and he's going to use it to get what he wants. Her. All his life, Keith's money and good looks were enough to charm anyone--except for shy, beautiful Sarah. Back in high school she was the one girl he couldn't have, and the one girl who haunted his dreams. When he sees her again for the first time in ten years, he knows he'll do anything to make her his--even if it's just for one week. There's only one flaw in his plan. With a woman like Sarah, one week will never be enough. **HIS ONE DESIRE:** The last thing Kali Jones wants is to see Luke Tanner again. Once her high school nemesis, he's now one of Hollywood's hottest stars. Her boss thinks he's looking for a role on her new TV show, but Kali doesn't believe that's his real agenda. Luke is in New York on a mission: to get closure from the woman who once broke his heart. And if he gets to rattle her cage along the way, that's just a bonus. But when a game of truth or dare sparks a simmering attraction, everything changes. Now Luke is determined to make Kali admit her desire for him...and she's just as determined to deny it. In their battle of wills, love is the last thing they expect to find--and the only game both of them can win. **ONLY DESIRE:** Lucy Barnaby is tired of being a good girl ... especially

when her sexy housemate Keenan needles her about her lack of a sex life. When he flaunts his own partying ways once too often, Lucy decides to take action. She auditions at a Waikiki strip club and is shocked when she has the time of her life. Keenan Diaz is crazy in love with Lucy, but he'll never tell her. Even if she shared his feelings--and she's made it pretty clear that she doesn't--Lucy wasn't born and bred in Hawaii like him. She belongs on the mainland, and once she gets her graduate degree he's sure she'll go back. Then one night he finds out she's working at a strip club in Waikiki. When he sees her on stage, he knows he can't control his desire for her any longer. Lucy wants Keenan as much as he wants her. But can they give into their passion without giving away their hearts? All three stories total 64,000 words, or about 320 printed pages.
