

For Love or Money Indians and Cowboys II (Nonios Quick as Light Series [Gay version] Book 2)

Jace becomes a winner but sometimes winning comes with a price that must be paid. When an accident happens on the horse farm, Jace risks his life to save Nonios, the horse he loves. He struggles with his relationship to Matt, wanting to be with him but Matts father is determined that will never happen. Jace believes in the ways of his people, the Lakota, and he puts his faith into a vision, praying that at the end of his hard times everything will be all right. In this second novel of the Nonios Quick as Light Series, Nate offers support while he searches for his place in the world as a gay man. James past is revealed and Matts birth mother returns. Jaces friend Pete arrives to cause chaos, good and bad. Together and sometimes on their own, the team goes through changes as they prepare to race at Four Oaks, hoping for another win. Jace says reality has limits and Nate claims reality can change. Who is right? Perhaps both.
