

Only In My Dreams

Only In My Dreams - A Novelette by Margaret Lake
 Delia Cummings isn't dissatisfied with her life. She doesn't think she has a life to be dissatisfied with. She works in a bakery, decorating cakes and bagging up rolls and pastries. Her husband, Charlie, as often as not falls asleep in front of the TV. Her children are grown and married, with not even a hint of a grandchild to give her purpose. After nearly thirty years of marriage and little to show for it, Delia is tired; just plain tired. And it is only in her dreams that she begins to find a reason to go on living. Also available in the anthology *A Walk in the Woods* with six other stories.
