Deadwood Book #1 â€“ Clara Meet Clara, she started living with her mean grandmother since she was ten when her parents died in a fire. She wanted to escape the grasp of her grandmother, but she knows that she only has very few choices at hand. Her best friend Lindsay tells her that she must be a mail order bride to get out of town. What fate is waiting for her in Deadwood? What are the secrets Sam and his three brothers are hiding from her? Did she finally find the man who will love her or she found herself another tyrant?

Deadwood Book #2 â€“ Natalie Meet Natalie, a beautiful sweet young lady. When Charles passed away, Natalie devoted herself as a volunteer worker at the local church. Until her friend showed an advertisement of the Mail Order Bride. She got thrilled with the man she is writing to but had never met. Though she wanted to have a man like Charles, she still followed her mothers advice. So, she took the leap of faith to meet her beau in the nice, small town of Silver City. But in her surprise... everything is a lie! Where is Kyle?...and why he didnt show up when she arrived at the

station? Now that she is in Kyle's rundown house, how can she live there when all her hopes are gone? Is Walter her last hope to escape her dreadful situation? **Deadwood Book #3** **Rebecca** Meet Rebecca, her parents were killed in an accident days before her younger sister got married. Traveling to an unfamiliar place and marrying this guy whom she has never met was surprisingly the only thing that is giving her hope. But little did she know that meeting him and knowing more about him will change her mind. What is Paul Pierce hiding from her? Is traveling to Deadwood something that she will regret? Can a secret tear them apart? **Deadwood Book #4 Edna Mae** Meet Edna, she just lost her fiancé in a tragic accident just a few days before the wedding.
