

# No Paltry Thing: Memoirs of a Geezer Dad

An inspirational, one of a kind family love story in which a professor learns on the eve of his 59th birthday that he is to become a father for the sixth time. He quits his post in academia to play stay-at-home caregiver to a second set of three children well into his seventies. Written with wit, warmth and a poets touch, this bonanza of true family values comes with a promise to readers: three laughs for every tear.
