

The Passover Haggadah

With insights adapted from the Teachings of Rabbi Menachem M. Schneerson. Adapted, for the most part, from essays that have appeared in the popular Week in Review, the notes and comments are articulate, stimulating and true to their source. Fascinating observations on almost every page reveal the vital lessons that abound in the Haggadah, but are sometimes overlooked at the Seder because of the demands of preparation for the holiday have impinged on the requirement to learn about it. Appended to the Haggadah are a collection of Passover Insights, also based on the teachings of the Rebbe, which delve into the mystical aspects of the holiday. Designed to be practical as well as enlightening, notes and comments on the order of the Seder and measurements of its requirements are also included.
