The Breidner Linguistic Method uses the language in which you are fluent to learn a new language. A downloadable audio voice while reading the material in this book will greatly enhance the imprinting of Hebrew. No memorizing! No studying! No pronunciation marks! Your thought process will automatically replace the English letters with the corresponding Hebrew letters. The audio voice available on our website makes reading effortless as Hebrew letters replace English letters with the same sound. You will read English words using Hebrew letters in a sentence that you already understand. Then, Hebrew words will replace English words as you advance towards literacy in the Hebrew language.
