

## The Training House Collection (Kitty Thomas: The Collections Book 2)

The Training House Collection by Kitty Thomas is 3 full-length books in one bundle. Publishers Note: These books are stand alone titles and not part of a series. (Although Guilty Pleasures and Broken Dolls occur in the same world, one is not a direct sequel of the other. Tender Mercies occurs in a totally different world, but is thematically similar to Broken Dolls.) This bundle contains: Tender Mercies, Guilty Pleasures, and Broken Dolls

**Tender Mercies:** “Grace. That word that finally meant something again. Mercy. Favor. Good will.” Fed up with play kink, Grace Warner moves to an island that embraces voluntary enslavement to be with a man she met online. Within hours of her arrival, everything is ripped from her, and she quickly learns play is preferable to the reality. Asher Collins has spent the past year mourning and blaming himself for the death of his slave, Darcy. When Grace catches his eye at a showing, obviously abused, he becomes obsessed with buying her and finding a way to atone for his own past sins.

**Guilty Pleasures:** Vivian Delaney leads a life of privilege, but behind closed doors she feels isolated and trapped in a gilded cage. Unable to achieve sexual pleasure with her husband, she finds herself in the capable hands of Anton, a massage therapist intent on awakening her to her full sexual potential. By any means necessary.

**Broken Dolls:** Mina Calloway always finds herself in the hands of the wrong master: Gentle at first, then brutally sadistic and abusive. She no

longer believes its possible to find a man who will be gentle with her. After seeing a kink-friendly therapist for months, the doctor makes her an illicit offer she isnt yet smart enough to refuse: Let me find you a good master. Brian Sloan is a borderline sociopath with a dark and brutal past. Only taking his sadistic urges out on the women at a submissive training house allows him to sleep through the night. When Brian sees Mina, she should be ripe for the picking, but her damage is too similar to his own. Can he fight past his demons to protect the one person he considers worth saving?
