

An Introduction to Hadith: History and Sources

The Present book deals with the history and sources of Hadith and in view of the importance of knowing some teachings in the science of Hadith, at the beginning of the book there has been a discussion about widely used terminologies (in Hadith) as well as the status and authority of the Sunnah and other topics. The discussions of the book are reflected in; The general introduction to Hadith and its status; Brief survey of the history of Sunni and Shiah compilations of Hadith; familiarity with the most important Sunni & Shia Collections of Hadith. The book presents the general subjects relevant to Hadith and its history. An ICAS Press Publication UK
