

HOT Volume 2: The Hostile Operations Team Military Romance Boxed Set (Books 4-6)

Over 900 pages of exciting reading! This boxed set contains 3 books in the New York Times Bestselling Hostile Operations Team Series: Dangerously HOT, HOT Shot, and HOT Rebel.

DANGEROUSLY HOT - Kev & Lucky The world's most wanted man is back from the dead. And only one woman can stop him! Former Army linguist Lucky San Ramos escaped with her life, but the scars an evil terrorist leader left on her skin are a constant reminder of her captivity. Now her tormentor is back—and so is the sexy Special Operations soldier she once loved. HOT operator Kevin “Big Mac” MacDonald rescued Lucky the last time. And then he walked away when he couldn't be what she needed. When Lucky married his teammate, Kev knew it was for the best. But now Marco is dead and Lucky is no longer safe. When Kev and Lucky team up to capture a terrorist, they'll have to pretend to be man and wife on an explosive military mission to a war-torn nation. With time running out and the fate of the world hanging in the balance, Kev and Lucky play a perilous game of cat and mouse with a madman during the day. But at night, they battle the secrets of the past and the sizzling attraction that threatens to endanger the mission. Lucky shouldn't want the man who abandoned her once before. But the passion between them is sinfully, sensuously, dangerously hot and proving impossible to resist.

HOT SHOT - Jack & Gina Cool

under pressure! Until now. Hostile Operations Team sniper Jack "Hawk" Hunter is cool, methodical, and utterly lethal. Nothing rattles Jack's calm. But that was before he learned he fathered a child three years ago—a child who has just been kidnapped. Gina Domenico is a superstar, a pop sensation with a string of hit records. But deep inside, she's still the lonely girl she's always been. When Jack saved her from an arms dealer, they spent three unforgettable days together waiting for rescue—and Gina fell hard for the sexy soldier before he walked away forever. But now she needs his help and she'll do anything to get it. Though Jack can never forgive Gina for keeping his child from him, he'll do everything in his power—and HOT's—to bring their son home safely. Nothing is what it seems, however, and their fates hang in the balance as someone else pulls the strings—and brings them ever closer to an explosive confrontation that could either save their son—or cost them everything. HOT REBEL - Nick & Victoria A rebel on the run! Victoria Royal is a traitor. Or so the U.S. government believes. Victoria was once a promising sniper in the Army, but now she's gone rogue—worse, she's just landed in the middle of a Hostile Operations Team mission in the desert and blasted it all to hell. Nick "Brandy" Brandon doesn't expect to run into Victoria when he's bugging out from a mission gone wrong. It's been more than three years since she disappeared from the sniper course they were in together, and he's finally

stopped thinking about her killer curves and smart mouth. But now she's back and she's far more dangerous than Nick ever believed possible! Is she really a traitor? Or is there something more at stake? He has to decide fast because time's running out and too many lives hang in the balance!
