

Edge of the Heat Box Set Books 1-7: Edge of the Heat Firefighter Romance

On Sale. Steamy, swearing, mature topics, suspenseful. What if your ex-husband was an abusive, dirty cop, and he was convinced he would get you back someday. What if he was willing to do anything to make that happen? Do you think it would scare off your new boyfriend, a strong, hot firefighter? Not if he has secrets of his own ... Six full-length novels and one novella. 500,370 words. Over 1500 pages. Books 1-7 of the best-selling Edge of the Heat Series. This is the complete series (for now) and also includes three free books The Billionaires Secret Kink 1. Unauthorized Affair, and Hide My Memories. Edge of the Heat follows four couples on their journey from disaster to happily ever after. Here is the synopsis for book one, but I don't want to include all of the descriptions here, because they include spoilers. Following a near death experience, firefighter/paramedic Emma Hills world is turned upside down. Haunted by a vision of the man who could very well be her soul mate, Emma is desperate to find that man, but fear stands in her way. With a maniacal ex-husband determined to get her back, Emma struggles to stay clear of him or risk living a life riddled by quiet desperation and abuse. Fighting with a dirty cop is dangerous enough, but when that dirty cop is her ex-husband the stakes are raised to disastrous levels. Craig Masterson, the firefighter who saved Emma's life, finds himself falling for her. When he learns who her ex-husband is, he realizes that this is a battle he may

not win. Choosing to love her is a deadly game. If he can stay alive, their love may flourish, but only if he can defeat her ex. Heat level: low (for this book - the rest in the series are moderate to moderately-high), suspense, thriller level: moderate. Some swearing. 18+
