

Koren Sacks Weekday Siddur: Compact Size (Hebrew Edition)

The siddur exemplifies Korens traditions of textual accuracy and intuitive graphic design, and offers an illuminating translation, introduction and commentary by one of the worlds leading Jewish thinkers, Rabbi Jonathan Sacks. It is the only Orthodox siddur that includes: prayers for the state of Israel, its soldiers and national holidays, and a halakhic guide for visitors; prayers following childbirth and upon the birth of a daughter; a modern translation, and citations of modern authorities. Also includes prayers for the American and Canadian governments.
