What does Science base its reality on?

What does Science know that religion does not?

How old are fossils and layers of rock?

Is there a Devine Designer?

Is Evolution a reality?

What does Religion base its reality on? Is religion's reality different from that of science? What does Science base its reality on? What does Science know that religion does not? How old are fossils and layers of rock? Is there a Devine Designer? Is Evolution a reality? This is not a summary of previous debates between science and religion. It is comparison of methods of approach to fundamental questions concerning the natural world, the cosmos, the universe(s) and even god, as seen from each viewpoint. It is a simple critical analysis of these two sources of knowledge.
