

The Rookie: Book 2 Last Play Romance Series (A Bachelor Billionaire Companion)

Enjoy this sweet romance by Taylor Hart. Number one draft pick, Legend James, soon to be back up quarterback for the Dallas Destroyers, hates the press. Especially when a scathing article about his love life reveals 22 dates in four years and calls him a cold hearted snake. Who is this reporter and how come she clearly copied Paula Abdul's song? Charity Saints only goal in life is to work for the New York Times and when she gets the opportunity to get noticed by putting out a puff piece on the arrogant, cocky, too big for his britches, Legend James, she takes it. Until Legend asserts she's printed lies and she gets fired before she really even got the chance to start. When Legend comes to confront her and she gets a call that her grandfathers had a stroke, she never expected he'd have the nerve to offer her a ride to the hospital. She doesn't forgive him and she doesn't care if she ever sees him again. Legend can't describe why he offers to give her an exclusive on him--a real one. He certainly has no idea why he ends up taking her sky diving and then hauling her grandfathers record player to the hospital and listening to Beatles songs with her all afternoon. But he does it. And unfortunately, he likes it. When the New York Times offers Charity job back and Legend's ex girlfriend comes to town, both of them are forced to make a decision--play it safe or make one more rookie move.Â
