As seen on The Kelly File with Megyn Kelly. Carl Higbie was a member of the the Navy Seal team that captured the Butcher of Fallujah, only to later be accused of prisoner abuse.Â Carl Higbie was on the Navy Seal assault team that captured the most wanted man in the Middle Eastâ€“the Butcher of Fallujah, Ahmed Hashim Abd Al-Isawi. But instead of receiving the heros welcome the SEALs deserved, they were charged with prisoner abuse after Al-Isawi alleged theyd beaten him up. Carl Higbie was a witness for their defense at the courts martial. When he went public with his account of what happened, the Navy fought him tooth and nail. But Higbie fought backâ€“and he won.
