

## His Honeymoon House: the novel (A Rain City Romance)

When a rich man buys an old house on an island and hires architectural designer, Stacy Green, to supervise the remodel and interior design, she presumes he plans to use it as a weekend or summer vacation home. She also assumes he will have opinions about her plans and designs. Instead, he is the most frustrating man she has ever tried to work with, professionally or on any other level. This edition includes the complete novel.
