

Fairytales Slashed: Volume One (Volume 1)

Fairytales never grow old, because there is never an end of new ways to tell them, new ways to see them. In this first volume of many to come, see what happens when a humble blacksmith fights a duel, a prince conspires with bandits, and a lonely thief seeks shelter in a lone tower. See a goblin try to save his brother, and a tutor watch over his perfect princess, while a shy prince braves a mountain in the name of love. See what happens when a runaway prince must be tracked down, when dark rumors surface a gloomy castle, and when a young man saves a little girl, and a lonely soldier hunts down a band of robbers. See a stable boy save his best friend, and a prince save his mother, while a humble gardener faces down a terrible beast and a poor young man befriends a troll. Watch what unfolds when a sad young man is bound to a toad, and a prince confronts an evil witch, and a quiet mage seeks to break a terrible curse.
