

## Adored: A Masters and Mercenaries Novella (1001 Dark Nights)

A man who gave up on love Mitch Bradford is an intimidating man. In his professional life, he has a reputation for demolishing his opponents in the courtroom. At the exclusive BDSM club Sanctum, he prefers disciplining pretty submissives with no strings attached. In his line of work, there's no time for a healthy relationship. After a few failed attempts, he knows he's not good for any woman—especially not his best friend's sister. A woman who always gets what she wants Laurel Daley knows what she wants, and her sights are set on Mitch. He's smart and sexy, and it doesn't matter that he's a few years older and has a couple of bitter ex-wives. Watching him in action at work and at play, she knows he just needs a little polish to make some woman the perfect lover. She intends to be that woman, but first she has to show him how good it could be. A killer lurking in the shadows When an unexpected turn of events throws the two together, Mitch and Laurel are confronted with the perfect opportunity to explore their mutual desire. Night after night of being close breaks down Mitch's defenses. The more he sees of Laurel, the more he knows he wants her. Unfortunately, someone else has their eyes on Laurel and they have murder in mind.
