

Ashwood Falls Volume Two (Books 3, 3.5, and 4)

Surrendering to the Alpha Ashwood Falls book 3 Ashwood Falls™ leopard Alpha, Keegan Andrews holds onto the pain of his deceased mate as his own personal hell—a reminder that not all things are what they seem. The Pack Scribe, Addyson Lewis is no exception. She™s intrigued him like no other since the day she stumbled into Ashwood territory about twenty-five years ago. When he discovers that just being near her calms the storm inside him, he can™t stay away even if it means exposing her to the evil she tried to escape. A Rebel™s Heart Ashwood Falls book 3.5 Widow and mother of five full-grown males, Sarah Matthews lives the best she can—one day at a time. Now that her babies are having babies, she relishes in spoiling her grandkids. But her inner mountain lion is restless and Sarah can™t shake the feeling something is lurking in the woods surrounding her home. The unease becomes a reality when a man she thought died with her mate five years ago comes back into her life with trouble on his heels. Divided Loyalties Ashwood Falls book 4 Hayden Raines has always followed the rules. As the Ashwood Fall wolf Marshal, he has to set the example for those working under him. When he sets his sights on the beautiful human hunter things go downhill, fast. Fate has a funny way of turning things inside out—because the woman he kidnaps, the enemy he might need to protect his family from, just happens to be his mate.
