

Blue Room Confidential Vol. 3

From the award-winning author of *The Protege* (NIEA Winner 2014), *SESSIONS* Series (Optioned as a tv series), and the author of over 15 steamy romance adult thriller series, full list found at kailinromance.wordpress.com, comes, *The Blue Room Confidential*. **DESCRIPTION** Something is sinister at The Blue Room, the most exclusive gentlemen club in Los Angeles. Having been called in to help figure out the strange occurrences at The Blue Room, including an unsolved murder, billionaire Xander Blue is again drawn into the seductive nature of the luxurious club, his half brother Clarence created to fulfill the fantasies of the most powerful and wealthy men in the world with the finest wines, foods, accommodations, and exquisite women known as The Blue Girls. Staci Atussi, a former Blue Girl, has left to begin a new life following the discovery of her true identity, but a new girl has joined, who is nothing like Staci. Jaymie Wakely is as brash and bold, as Staci is refined. She is also a tough as nails undercover private investigator who will stop at nothing to find out the truth behind some mysterious deaths in The Blue Room, even when it goes beyond boundaries. Going into the Blue Room is no easy task, and soon secrets are revealed, plots within are uncovered, and everything is twisted where nothing is as it appears. The players from The Blue Room serial are back, along with a few new mysterious strangers... This is an adult thriller with adult themes (it takes

place at a Gentlemans Club of course) and recommended for 18 and up.
