

Rebirth: Letting Go of the Past (Hanging On To My Dreams Book 2)

Rebirth, the second book of Hanging On To My Dreams series, follows author Arnold Henry as he recounts his struggles with personal weaknesses, harsh realities, and many unexpected turns. As the young man matures, he is forced to abandon his preconceptions of becoming the perfect man and redefine his individual purpose. Love him or hate him, the book reveals the deepest kept secrets of a depressed boy, a determined basketball player, and a confused lover. Arnold encounters several life-changing events that, combined with haunting memories of his past and problems adjusting to a new life in Canada, nearly cause him to give up completely. This story is a true testimony of one mans journey to accept his wrongs and let go of what he cannot change before dreaming of a new future.
