

The Complete Guide to Service Learning: Proven, Practical Ways to Engage Students in Civic Responsibility, Academic Curriculum, & Social Action

This project-based guide is a blueprint for service learning—from getting started to assessing the experience—and integrates the “12 Service-Learning Standards for Quality Practice. It provides ideas for incorporating literacy into service learning and suggestions for creating a culture of service. An award-winning treasury of activities, ideas, annotated book recommendations, author interviews, and expert essays—all presented within a curricular context and organized by theme. Digital Content contains all of the planning and tracking forms from the book plus bonus service learning plans, and more.
