

INKLINGS colouring book by Tanya Bond: Coloring book for adults & children, featuring 24 single sided fantasy art illustrations by Tanya Bond. In this ... & other charming creatures. (Volume 1)

INKLINGS coloring book for adults, teens and children. - It features 24 one sided fantasy art illustrations by artist Tanya Bond . Being single sided helps to make sure that the medium doesnt bleed onto the next design through the page. However I still recommend using a sheet of card under the page when you are colouring. - Please note that createspace paper is medium to thin. If paper thickness is important to you please seek for artist edition of this book on etsy (which is more expensive). - In this book you will find fairies, pixies & mermaids with their adorable companions - dragons, owls, cats, bunnies, birds, animals & other charming creatures. - I recommend using prismacolor colored pencils, polychromos coloured pencils, Marco Raffine, Inktense. Use promarkers/copics/sharpies and other markers just for small touch ups as well as gel pens (use sheet of card under the page you are colouring) Join INKLINGS colouring club group on facebook to show your coloured inklings and see what others are doing:) Enjoy your INKLINGS colouring adventure!
