

## Blinding Love 2 (Blinding Love, Book 2)

Can love be torn away from the heart completely? After Matt and I went our separate ways, I try my best to forget him and move on with my life. I start a white-hot, passionate affair with another gorgeous man. I dedicate myself to my work, but the memories of my marriage are always there, lingering on, reminding me of the good times and the bad times, and, once in a while, making me regret my decision to divorce.
