

I Miss My Pet: A First Look at When a Pet Dies (A First Look at...Series)

This new title in Barron's™ A First Look At series encourages kids of preschool through early school age to understand and overcome problems that might trouble them in social and family relationships. Written by an experienced psychotherapist and counselor on a level that is always understandable to younger children, this book seeks to promote positive interactions among children, parents, and teachers. Thoughtful text is supplemented with child-friendly color illustrations on every page. A two-page How to Use This Book section for parents and teachers appears at the back of each book. In I Miss My Pet, younger children who lose a beloved puppy, kitten, or other pet are introduced to the idea of death. They are encouraged to understand that sadness is a first important step in the process of emotional healing, after the death of a loved one.
