

Arizona Wild (A Mojo Sheepshanks Novel)

Starting over has never looked so good—Mojo Sheepshanks knows a thing or two about new beginnings. After a long-ago tragedy she's never fully remembered and a childhood spent moving from place to place, she's making a home in the small town of Cave Creek, Arizona, and finally taking charge of her future. But Tucker Darroch, a sexy cop with baggage of his own, keeps complicating the life she's trying to simplify—Tucker has been fascinated by the enigmatic Mojo from the beginning, and try as he might, he can't ignore the sparks that fly between them. So when a wealthy man shows up in Cave Creek claiming to be Mojo's long-lost uncle, and her shady brother begins dogging her footsteps, Tucker decides he's sticking close as he and Mojo work to solve a decades-old crime—and prevent history from repeating itself.
