

The I Ching Workbook Gift Set

The I Ching Workbook Gift Set includes the entire text of Wu Weis newly-revised and updated edition of *The I Ching: The Book of Answers*, which includes a detailed explanation of how to use yarrow stalks and how to work with the I Ching. It provides the key for identifying the correct hexagram and 200 pages on which readers can record their answers. Included are 50 ten-inch yarrow stalks, hand-picked by farmers in Northeast China specifically for use in divination with the I Ching, and another step-by-step picture guide to using the stalks--the original and only favorable way to access this ancient wisdom. Also included are sandalwood incense, incense holder and a silk I Ching cloth. The I Ching Workbook Gift Set is beautifully packaged for gift-giving.
