

Of Love and War

Of Love and War - A novelette by Margaret Lake July 4, 1943 –“ John Jameson is home from the war. The Fourth of July has always been his favorite holiday, but now he finds himself alone on the boardwalk in his New Jersey hometown. It seems like everyone he knew is either off to war or working in the factories producing the armaments of war. Along comes Julie to offer him a cold drink. Happy to have someone to spend the day with, especially one so young and beautiful, he accepts her invitation for a backyard picnic. He has no idea what is behind Julie's seemingly innocent invitation. He has no idea that the afternoon will force him to face what he has lost and find his heart at last. Also available in the anthology A Walk in the Woods with six other stories.
